Invitation to next SCOPE USA

As we approach the end of our adventure for 2019, we reflect on new friendships made and long lasting relationships revisited. We close the 52nd year of SCOPE USA with memories of great fun, but this isn't the end! We look forward to May 2021 and to continuing the tradition started in 1967. We welcome and encourage each of you to come visit us in Pennsylvania, and spread the word to your fellow Scouts, Venturers, Rovers, and Scouters to join us as well. This isn't a goodbye, it is a "see you next time!"

Daily Drench Editorial Staff

The Daily Drench staff worked diligently to bring you every copy of the Daily Drench on time. Staff members in picture Top Left clockwise, Stuart Christ, Bruce Brown and Julia Goplerud. Thanks to all those who contributed photos, story ideas, etc.

Special thanks to Aiden Montgomery (3rd Clarkson) for all his amazing photographs. If we had several more pages per issue we could have filled them with his photos.

Trillium is Ontario's official flower. Mostly commonly seen is the White Trillium. The Pink Trillium is much more rare and very seldom seen. Although they are not protected they are very delicate. Try not to disturb them.

We want to send Special Happy Birthday Wishes to :

Charlie Ard - Troop 320

Barry being vigilant and keeping an eye on activities at the inflatables

Campfire

Thanks to Rick Champagne and Nikki for an outstanding Teepee Campfire last night and Scouter Andy for running the Campfire Program.

Favourite Memory?

When asked what their favourite memories were of SCOPE 2019 it was hard to pick favorites but the top memories were:

- Axe Throwing
- Toronto Trip (especially Ripley's Aquarium)
- Making new friends/meeting new people
- Dutch Oven Activity
- Inflatables
- Playing cards with new friends
- Extreme Battle Balls
- Having fun together
- Archery

Thanks

Special thanks to the Peel MedVents and the Police Rover Crew who kept an eye on everyone and kept us safe.

And thanks to Scouter Sku from 3rd Clarkson for her assistance
